### **Forward-Looking Statements**

All statements in this release (and oral statements made regarding the subjects of this release) other than historical facts are forward-looking statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of uncertainties and factors, many of which are outside Exterran Corporation's ("Exterran") control, which could cause actual results to differ materially from such statements.

While Exterran believes that the assumptions concerning future events are reasonable, it cautions that there are inherent difficulties in predicting certain important factors that could impact the future performance or results of its business. Among the factors that could cause results to differ materially from those indicated by such forward-looking statements are unanticipated delays in completing the preparation of the Company's quarterly financial statements.

These forward-looking statements are also affected by the risk factors, forward-looking statements and challenges and uncertainties described in Exterran's Annual Report on Form 10-K for the year ended December 31, 2019, Quarterly Report on Form 10-Q for the quarter ended September 30, 2020, and other filings with the Securities and Exchange Commission available on the Securities and Exchange Commission's website [www.sec.gov](http://www.sec.gov). A discussion of these risks is expressly incorporated by reference into this release. Except as required by law, Exterran expressly disclaims any intention or obligation to revise or update any forward-looking statements whether as a result of new information, future events or otherwise.
