Explanation of Responses:

1. The reporting person did not direct the sale of shares. The sale is a result of a liquidation of the reporting person's Health Savings Account as required to transfer to a new company provider. This liquidation is consistent with all participants in the Health Savings Account and not specific to the reporting person.

2. The price reported is a weighted average price. These shares were sold in multiple transactions ranging from \$4.95 to \$4.98, inclusive.

3. Due to the disposition of shares from the reporting persons Health Savings Account, the reporting person purchased replacement shares in the identical amount as those disposed.

4. The price reported is a weighted average price. The shares were repurchased in multiple transactions ranging from \$5.09 to \$5.11, inclusive.
